# Galvanized Steel Pallet Rack Systems

Notes : Uprights are bolted - Cantilever Arm - Stop - Sold separately

\*Steel surcharge may apply.

\*\*Products in Stock.

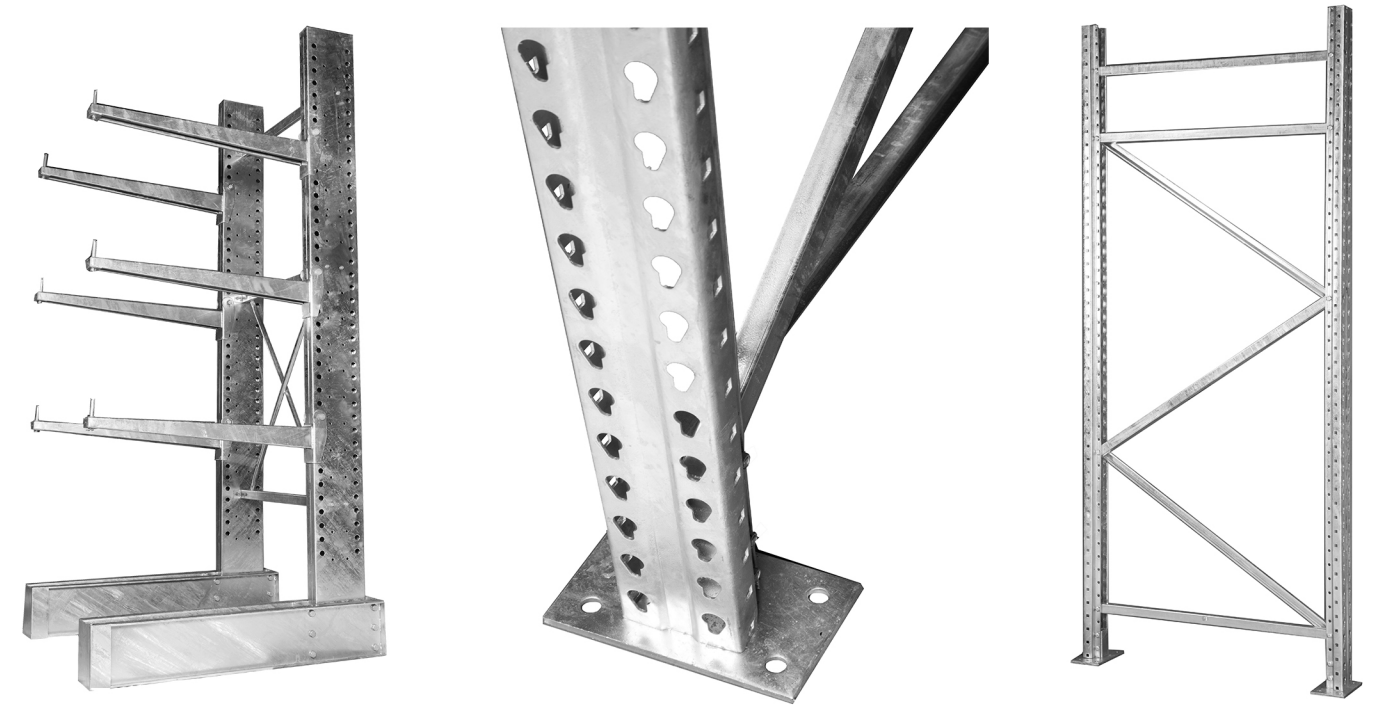

# Galvanized Steel Pallet Rack Systems

*Designed to work in harsh environments!*

*Highly resistant to rust, recommended for outdoors, inside coolers, freezers and chemical applications.*

*Galvanized pallet rack will give you a stable, safe and economical storage solution that will last for years to come. Durability will surpass standard powder coating finishes.*

- 📦 Long Life
- 📦 Corrosion Resistant
- 📦 Saves Money (Works harder and longer)
- 📦 Long Term Cost
- 📦 Reliable
- 📦 High Resistance to Mechanical Damage

## Galvanized Uprights

*Galvanized coating has a unique metallurgical structure which gives outstanding resistance to mechanical damage in transport, installation and service.*
